Parking for Spring Meet 2023

Captains Meeting in Robinson Hall

There are road spots that are free after 5pm near the green. You can also park in Dewey Lot or Observatory Lot.

Storrs Pond

There is limited parking right next to the main beach of Storr's pond where we will be competing. We ask that each school only have one vehicle in this lot. There is plenty more parking by the entrance booth for other vehicles. The walk from this farther lot to the actual pond is 3-5 minutes.

The 16th Hole

There is limited parking at the 16th hole itself. We ask that each school only park one or two vehicles at the 16th hole. Every other vehicle should be parked in Dewey Lot. The walk over from Dewey to the 16th hole is 5-10 minutes. Schools camping at the 16th hole may have one or two additional vehicles if absolutely necessary

The Green

Surprise surprise, parking on campus is also limited. Each school is permitted to have one vehicle (with a trailer) parked on the green. There is limited parking available in Observatory Lot which is a 5 minute walk from the green. The majority of vehicles should be parked in Dewey Lot (where you parked on Saturday when you went to the 16th hole!) which is a 10-15 minute walk from the green. There is also limited street parking near the green but these spots should be avoided unless absolutely necessary so that people not attending the meet can still park in town.
